

Poverty Reduction Working Group of Nipissing

For the dignity and health of all

Our Vision:

Everyone lives in dignity and health, *free from poverty*

Our Mission:

To achieve freedom from poverty by:

- Developing a common understanding of poverty in our community;
- Gathering evidence through various methods including storytelling;
- Providing evidence to facilitate informed decision-making; and
- Promoting the development of policies, programs and services that will reduce and ultimately, eliminate poverty.
